

**PET SHAMPOO - P-PS 001****Product Description:**

Pet Shampoo is a water based, low-foaming, non-skin irritating, biodegradable and environmentally friendly cleaner. It is made of powerful Nano Biotech Colloidal Micelles (NBCM); using natural plant extracts, plant derivatives and biodegradable surfactants. It is odorless and is friendly to animal skin.

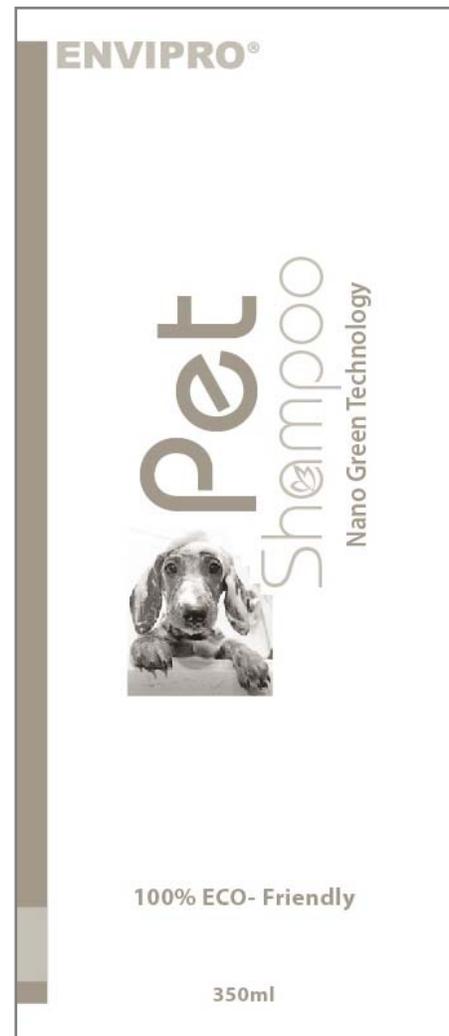

Pet Shampoo does not contain petroleum distillates, soaps, chemical thickening agents, nitrates, enzymes, phosphates, animal fatty acids, aliphatic and aromatic hydrocarbon toxic solvents, non-biodegradable surfactants, CFC and ozone depleting substances.

**Application:**

Pet Shampoo is specially formulated to clean dirt, soils, oil, grease, microbes and germs without irritating skin. It prevents loss of fur due to itching and skin problems. It also offers disinfecting and sanitizing capabilities that prevent body odor. It is ideal for all kinds of animals. With regular use, pets will enjoy healthier skin and coat. It is highly recommended for cats, dogs and horses.

**Directions:**

Wet coat thoroughly and apply generous amount of Pet Shampoo. Work in gently but thoroughly into skin and coat until lather forms. Rinse thoroughly. Repeat if necessary.
