

BABY DISHWASHER - B-BD 001**Product Description:**

Baby Dishwasher is a water based, low-foaming, non-skin irritating, biodegradable and environmentally friendly cleaner. It is made of powerful Nano Biotech Colloidal Micelles (NBCM); using mild natural plant extracts, plant derivatives and biodegradable surfactants. It is friendly to sensitive skin.

Baby Dishwasher does not contain alcohol, petroleum distillates, soaps, chemical thickening agents, nitrates, enzymes, phosphates, animal fatty acids, aliphatic and aromatic hydrocarbon toxic solvents, non-biodegradable surfactants, CFC and ozone depleting substances.

Application:

Baby Dishwasher effectively removes germs, pesticide, dirt, contaminants, food particles, oil, grease and odor. This rapid rinse product cleans dishes to a sparkling shine without any residue or streaks. It can also be used to clean wax and pesticide from fruits.

Directions:

Dishes: Dilute 1 teaspoon (3 mL) of Baby Dishwasher to $\frac{3}{4}$ cup (150 mL) of water in a dish bowl. Wet a sponge or cloth with the dilution and wash the dishes. Rinse clean.

Fruits: Dilute 1 teaspoon (3 mL) of Baby Dishwasher to a basin of water and soak for 3 – 5 minutes. Rinse clean.

BABY LAUNDRY - B-BL 002

Product Description:

Baby Laundry is a water based, low-foaming, non-skin irritating, biodegradable and environmentally friendly cleaner. It is made of powerful Nano Biotech Colloidal Micelles (NBCM); using mild natural plant extracts, plant derivatives and biodegradable surfactants. It is friendly to babies' sensitive skin.

Baby Laundry does not contain alcohol, chlorine, hydrochloric acid, sulfuric acid, phosphoric acid, petroleum distillates, soaps, chemical thickening agents, nitrates, enzymes, phosphates, animal fatty acids, aliphatic and aromatic hydrocarbon toxic solvents, non-biodegradable surfactants, CFC and ozone depleting substances.

Application:

Baby Laundry effectively removes tough stains such as food, drinks, urine and feces from all types of washable fabrics without damaging the fibers of the fabrics.

Directions:

Machine Wash: Add 250 mL (1 cup – standard load) of Baby Laundry before or when the wash cycle has begun.

Hand Wash: Add 60 mL (1/4 cup or 4 table spoons) of Baby Laundry to ¾ pail (approximately 10 liters) of water. Soak for five minutes. Wash and rinse.

Stubborn Stains: Soak garments for 5 minutes in solution of 30 mL (1/8 cup or 2 table spoons) of Baby Laundry to 2 liters of water. Rinse and wash.

BABY SHAMPOO - B-BS 003

Product Description:

Baby Shampoo is a low-foaming, non-skin irritating, biodegradable and environmentally friendly cleaner. It is made of powerful Nano Biotech Colloidal Micelles (NBCM); using mild natural plant extracts, plant derivatives and biodegradable surfactants.

Baby Shampoo does not contain alcohol, petroleum distillates, soaps, chemical thickening agents, nitrates, enzymes, phosphates, animal fatty acids, hydrocarbon toxic solvents, non-biodegradable surfactants and ozone depleting substances.

Application:

Baby Shampoo is superb for babies' scalps and hairs. It is specially formulated for deep cleansing without irritating babies' sensitive scalps and eyes. It also offers disinfecting and moisturizing capabilities. It is gentle enough for everyday use.

Directions:

Wet the hair completely. Apply and massage gently for 3 minutes. Do not expect a lot of foam since it is a non-foaming shampoo. Rinse thoroughly with water.

BABY BATH - B-BB 004**Product Description:**

Baby Bath is a low-foaming, non-skin irritating, biodegradable and environmentally friendly cleaner. It is made of powerful Nano Biotech Colloidal Micelles (NBCM); using mild plant extracts, plant derivatives and biodegradable surfactants.
