

## AIRMIST

### Product Description:

AIRMIST is specially formulated with ingredients which are non-foaming, non-skin irritating and environmentally friendly. It is made of powerful Colloidal Nano Silver which offer disinfecting and sanitizing capabilities through its antimicrobial, antibacterial and anti-fungal properties.

AIRMIST does not contain alcohol, petroleum distillates, soaps, chemical thickening agents, nitrates, enzymes, phosphates, animal fatty acids, hydrocarbon toxic solvents and ozone depleting substances. It is odorless and doesn't irritate eyes & sensitive skin.

### Application:

AIRMIST effectively removes germs. It is highly recommended for surfaces which are not sensitive to water. It can be used on furniture, clothes, fabrics, carpets, air conditioner filters, walls and floors.

### Directions:

Spray AIRMIST thoroughly onto the surface and allow it to dry.

### Ingredients:

Pure Silver (Nano Grade): 2%

Distilled Water: 98%
