

TiO₂ Consumer Product Offer
(March 2005)

TiO₂ Room Air Purifier – YH31XPTAA

- 1) YORK Nano TiO₂ Disinfection System destroys almost all harmful air pollutants
- 2) Highly Effective Filter – 99.97% Particle Filtration Efficiency
- 3) Negative Ion Generator further enhance freshen and purify the air
- 4) 3-speed fan control for low energy consumption and highest air purification efficiency

Model No.	Electrical Supply	Power Consumption	Air Flow Rate	Area Served	Dimension	Weight	Negative Ion Generation Density
YH31XPTAA	220V	40W	2.0 m ³ / min	40 m ²	380*197*330 mm	4.5 kg	>= 1*10 ⁶ / cm ³

TiO₂ Car Air Purifier – YH32XPTAA

- 1) YORK Nano TiO₂ Disinfection System destroys almost all harmful air pollutants
- 2) Designed exclusively for automobiles
- 3) Releases stress-relieving aroma for comfort and pleasure driving

Model No.	Electrical Supply	Power Consumption	Area Served	Dimension	Weight
YH32XPTAA	DC 12V	3W	5 m ²	140*90*50 mm	180 g

TiO₂ Floor Type Air Purifier – YH30XPTAA

1. YORK Nano TiO₂ Disinfection System destroys almost all harmful air pollutants
2. “SMART” sensor detects the 3 most common indoor contaminants and operate automatically
3. Manual 3-speed fan control for maximum flexibility of air purification
 - Highly Effective Filter – 99.97% Particle Filtration Efficiency
 - Negative Ion Generator further enhance freshen and purify the air
 - Contemporary and Elegant Design

TiO₂ Desk Top Air Purifier – YH33XPTAA

- 1. YORK Nano TiO₂ Disinfection System destroys almost all harmful pollutants**
- 2. User Friendly Control Panel**
- 3. Highly Effective Filter – 99.97% Particle Filtration Efficiency**
- 4. Negative Ions Generator enhance freshen and purify the air**
- 5. Modern and Streamline Appearance**

TiO₂ Car & Desk Top Air Purifier – YH34XPTAA

1. YORK Nano TiO₂ Disinfection System destroys almost all harmful air pollutants
2. Modern and streamline Appearance
3. Dual Power Supply for use at home or in car. (220 VAC or 12VDC)
